Testimonials

"The CMMP staff was absolutely wonderful!"

-Janice, **CA Senior Legislature, June 2012**

"This was our first time planning a conference through DGS – no major catastrophes – everything ran smoothly for the most part. When we did run into a small glitch, Brian was there to quickly resolve the problem. We would be honored to have Brian handle our future conferences."

-Annie, **CA Department of Aging, May 2012**

"I look forward to working with CMMP in the future, which may be later this summer if a possible event in Sep. 2012 does happen."

-Jon, **CA Department of Aging, May 2012**

"Brenda really went above and beyond in this situation because we had to coordinate the meeting on very short notice and she was just about to get married too! It all pulled together beautifully and the event was a huge success. I wish I worked with more people like Brenda."

-Liz, **CA State Independent Living Council, April 2012**

"Everything was excellent and Brenda did a great job!"

- Greg, **CA Department of Public Health, April 2012**

"It is always a pleasure to work with Sandi Hartsock! She is very efficient in what she does."

- Hardeep, **CA Office of Statewide Health and Planning Development, March 2012**

"Sandi Hartsock did a great job!"

- Tom, **CA Department of Food and Agriculture, December 2011**

"Brenda provided outstanding service to EMHI. As the conference attendance was approximately 900 attendees and included the use of the Sheraton, Hyatt and the Sacramento Convention Center, her service was critical in conducting a very successful conference."

- Paul, **CA Department of Mental Health, October 2011**

"Everything was wonderful. Lauren always does a great job."

- Tara, **CA Contractors State License Board, September 2011**

"I was very happy with the service provided by the program. Lauren Richardson was a pleasure to work with. She was very prompt and professional... even when the proposed seminar date was changed. I will definitely be using the program in the future. The meeting planning program is a truly great idea."

- Joel, **CA Department of Fish and Game, August 2011**

"Brenda was great. I appreciated the fact that she took the extra time to ease my fears and concerns. As my first statewide conference, it was amazing to have someone who knew what was happening and what needed to happen. I hope to work with Brenda next year."

- Ristyn, **CA Department of Mental Health, August 2011**

"Ms. Difuntorum was unable to attend the meeting, although she did ensure to schedule a Pre-Con meeting with myself and the agency's audio visual contact person. The meeting was with the Hotel Convention Services Manager and Banquet Manager. They went over our schedule and gave us a tour of the hotel and our meeting rooms. I am very grateful to Ms. Difuntorum for this arrangement. As a result, we did not have problems during our 3-day event."

- Jane, **CA Department of Industrial Relations, July 2011**

"Everything went very well. Thank you."

- Jean, **CA Department of Public Health, June 2011**

"It was a pleasure to work with Sandi, and I'm looking forward to working with Sandi in the future hopefully when we will be able to travel again."

- Hardeep, **CA Office of Statewide Health and Planning Development, May 2011**

"I thoroughly enjoy using the CMMP method in reserving rooms. It's easy, convenient, and the analysts are always helpful and professional."

- Annie, **CA Department of Social Services, April 2011**

"Brenda did a great job at the Advanced Surveyor Academy Training."

- Judi, **CA Department of Public Health, April 2011**

"Given the newly enacted executive order restricting travel, Lauren was not on location. However, she was available by phone and was immediately able to explain a small misunderstanding about expectations. It was handled very professionally. We need to be more proactive in incorporating DGS into our plans. Lauren did a fantastic job adhering to details, meeting our accelerated timing demands, and our event went off without a hitch. Lauren performed flawlessly coordinating the technical staff at the hotel with our technical staff at DCA. I look forward to using CMMP for future meetings and would be most pleased if I can work with Lauren as my contact."

- Tom, **Dental Hygiene Committee of CA,
CA Department of Consumer Affairs, April 2011**

"No situations occurred that Lauren wasn't able to resolve. There were no problems."

- Rosalyn, **CA Department of Fish and Game, April 2011**
